

The French Review

From the Editor's Desk

This issue provides a good example of the wide range and high quality of the texts that are published in the *French Review*: five articles in the Literature rubric, one on Film, two on Society and Culture, our annual article on *l'Actualité de l'Éducation*, an article in the Focus on the Classroom rubric, an article in one of our shorter rubrics (*Actualités du monde francophone: applications pédagogiques*), an Interview of the Haitian writer Jessica Fièvre, and an online *Dossier pédagogique* (which can be downloaded at: <frenchreview.frenchteachers.org/Dossiers.html>).

Also, a few reminders about recent announcements, the first two of which are detailed on the Announcements page (290).

The title of our special issue for Vol. 90 (May 2017) will be: *Enfances et adolescences*. Scholars working in various fields—literature, film, bandes dessinées, cultural studies, linguistics, and pedagogy—are encouraged to submit articles (deadline: Aug. 1, 2016).

Scholars who are working on a book, and who are seeking an appropriate publishing outlet, are invited to submit their detailed project proposal to the *French Review* Book Series.

All those who would like to donate to the *French Review* Fund can do so online <frenchreview.frenchteachers.org> or by sending a check to our Treasurer/Advertising Manager, Ann Sunderland (see p. 297). Proceeds from this new fund will be used to help finance ongoing projects such as the Book Series.
